

Clinician Follow Up Reference for Supportive Care

Practical Concerns –

“YES” to Insurance coverage or no health insurance

Notes

Health care insurance can be acquired through several avenues based on income, age, employment, lack of employment, dependent s, etc. Some options may include private health insurance, employer provided, Affordable Care Act Health Insurance Marketplace policies, Medicare or Medicaid. Undocumented immigrants might apply for coverage on behalf of documented individuals. Charity care may also be available through your institution.
